

TEXT ABOUT RESTAURANT

Kyokai restaurant has been established as a result of combination of passion and in response to the expectations of our Dear Guests. Awaiting the new sushi and the fact that all your needs will be fulfilled. You will be able to see how the specific dishes are prepared at our restaurant step by step. You can actively influence the choice of food served on your plate.

You can expect new products every day.

Our Chef will ensure that their quality and freshness would be of the highest class.

We are distinguished by the individual approach. Our Sushi Masters will do their best, so that each and every culinary fantasy would be fulfilled. Their experience and creativity will enable to enhance taste values of each of our products.

The name Kyokai denotes companionship, which suggests that you may count on spending time among nice and kind people. A friendly atmosphere is of the utmost importance to us. We know that it influences the quality of our work.

Therefore we would like to create the unique climate of the Kyokai restaurant together with you.

TEXTS ABOUT THE PLACE

Kyokai Sushi Bar is situated in the building of the Old Barracks in the very heart of Poznań. Development at ul. Wojskowa is a one-of-a-kind business and gastronomic centre with a unique architecture.

Historical Barracks, in which the 15th Poznań Uhlans Regiment has been stationed, constitute at present a specific enclave of sublime tastes, business and design.
